

Measurement INSTRUMENTS

1.800.779.8090
www.meas-inst.com

www.heise.com

- Precision Pressure Transducers and Gauges
- Handheld Pressure and Calibrators
- Digital Pressure and Temperature Indicators

www.dranetz.com

- Power Quality and Energy/Demand Monitoring
- Portable and Permanently Installed Systems
- Power Quality Software and Training

www.DuroPC.com

- Panel, Embedded and Rackmount PCs
- Legacy/Obsolete PC Replacement
- Hardware and Software Integration and Support

www.ftimeters.com

- Flow Meters: Turbine, Positive Displacement, Mag and Ultrasonic
- Precision Flow Calibration Systems
- Calibration Services for All Types of Flowmeters

ADVANCED SENSOR TECHNOLOGY, INC.

www.futek.com

- Load Cells, Torque and Pressure Sensors
- Digital Displays and Amplifiers
- Vcal™ Sensor Verification System

www.gp50.com

- Pressure Transducers and Transmitters
- Industrial/Test, Sanitary/Flush Diaphragm, Process Control
- Level, Aerospace, Low Cost OEM

www.ipetronik.com

- CAN-Based Dataloggers With GPS and Video
- -40°C to +120°C Ruggedized DAS Hardware
- Universal DAS Software

www.jewellinstruments.com

- Rugged, Precision Linear and Angular Accelerometers
- Rugged, Precision Inclinometers, Tilt Sensors
- Geophysical Sensors

www.magna-power.com

- DC Programmable Power Supplies and DC Loads
- Ranges to 1MW+
- EV/HEV Solar and Battery Simulation

www.mensor.com

- Pressure and Temperature Calibration
- Pressure Controllers, Indicators, Transducers, Custom Systems
- Temperature Dry Wells, Baths, Precision Thermometers

www.phenixtech.com

- High Voltage Current and Power Test Equipment
- Motor and Transformer Test Systems
- High Voltage AC/DC Portable Test Equipment

www.sensordata-burster.com

- Rotary and Reaction Torque Sensors
- Load Cells and Multi-Component Force Sensors

SHINYEI

www.sca-shinyei.com www.noiseken.com

- ESD Simulators
- Impulse, Noise and Transient Generators
- Emission Measurement Systems

ADVANCED ACCELEROMETER SOLUTIONS

www.silicondesigns.com

- Accelerometers – Capacitive With Integrated Electronics
- OEM Accelerometer Sensors (Chips & Modules)
- Ranges From 2 g To 20,000 g

www.xitrontech.com

- High Performance AC and DC Power Analyzers
- Phase Angle Voltmeters
- DC and Temperature Calibrators

Distribution Lines

- Specialty Thermocouples

- Miniature & Subminiature Pressure Sensors

- CAN-Bus Interface Products

- Digital Storage Oscilloscopes

- High-Speed DC Power Supplies
